

## **Connecticut Parks Association**

Do you want to get your business out in front of park professionals? At this time the Connecticut Parks Association is seeking vendors to sponsor the CT Parks website. A website sponsor will have their company logo proudly and prominently featured on the home page of our association website [www.ctparks.org](http://www.ctparks.org). Sponsorship rates are \$800.00; all proceeds will be going to support the Dennis Malone Scholarship. This scholarship provides financial support to individuals attending college pursuing a career in park management, forestry, horticulture, agronomy, or a closely related field.

If you are interested in becoming a Website Sponsor, please contact Mark Lombardo via e-mail at:

[mlombardo@waterburyct.org](mailto:mlombardo@waterburyct.org).

The Connecticut Parks Association Board thanks you in advance for your generous support of our association and its mission.

Respectfully,

Mark Lombardo  
Incoming President  
Connecticut Parks Association
